## Fact Sheet

### ***RiverTrek 2011***

A natural challenge for Cincinnati teens.

The Cincinnati Recreation Commission's Outdoor Adventure Committee and Morgan's Canoe Adventures in Learning Program have joined forces to deliver the natural experience of a lifetime for Cincinnati area teens. Up to 35 fortunate teens (12-16 years old) will be selected by lottery to join ***RiverTrek*** on an exploration of natural beauty, eco-science and just plain fun, as we paddle 60+ miles of the *Little Miami River*, in canoes and kayaks. The ***RiverTrek 2011*** team will be traveling down the *Little Miami River* as a group of young men and women representing a broad range of Cincinnati's youth; from the central city to the suburbs.

Prior to ***RiverTrek***, many of our teens have had little experience outside of their urban environments for any extended period of time. Some are unfamiliar with camping and others have various levels of experience canoeing and rafting on the river.

Some members of this year's group are returning paddlers of former ***RiverTrek*** teams. They have been selected to serve as Peer Leaders. They will help to guide and nurture those with less experience, to give back to the program and to continue their personal growth through ***RiverTrek***.

Please examine the following itinerary carefully, keeping in mind that **our schedule may need to be altered to adapt to weather conditions and other unforeseeable factors**. The trip plan will include 5 days of travel by canoe and kayak. On Friday, we will conclude our journey, traveling down the Ohio River to the Public Landing in downtown Cincinnati. Upon arrival, we will be greeted by family, friends and the press, as we complete our 5 day journey.

Along the way ***RiverTrekkers*** will paddle, camp, swim and hike, as well as participate in team building activities and games while exploring this historic river. Our group will also stop to test and monitor the water quality and conduct macro-invertebrate sampling along the course of the river. We will examine wildlife along the Little Miami River, search for fossils, and make note of historic sites along the way. The ***RiverTrek 2011*** team will experience the river like a modern day Tom Sawyer and develop a new appreciation for the environment, river history and nature, while making new friends and enjoying the freedom and responsibilities of the river.

## Itinerary

**DAY ONE** (Monday, July 25, 2011): The **River7rek** journey begins this morning when we put in our canoes north of the livery, on the Little Miami River just north of Oregonia, Ohio. For our first day on the river, we are planning to take it slowly to allow the group to acclimate to the conditions of the river and the peculiarities of travel by canoes in convoy. Along the way we pass historic Native American sites like Caesar's Creek and Fort Ancient. Dinner is provided by *Morgan's Canoe and Outdoor Center*. We cover **12 miles** this day and make camp at Morgan's Riverside Campground. Showers and restrooms are available at this site.

**DAY TWO** (Tuesday, July 26, 2011): The second day begins with a campfire breakfast provided by *Morgan's Canoe and Outdoor Center*. After we break camp, we will paddle our canoes **16 miles** to the Loveland Castle where we will come ashore for an overnight stay. We will tour the historic castle and grounds of Chateau LaRoche and then enjoy our dinner. No showers are available at this location. Port-o-lets are present on site.

**DAY THREE** (Wednesday, July 27, 2011): In the morning we enjoy breakfast at the campfire circle near the castle, overlooking the river. After we clean-up and stow the gear, we rejoin the river and travel about **16 miles** by canoe. Along the way we will have opportunities to cool off as we snake our way downriver through some sections of shallow water. We arrive in late afternoon at the Lower Craig Campground operated by the Boy Scouts. Lower Craig has a secluded campsite, plentiful water and large open fields for sports and games. Showers and a sheltered picnic area are available at this site.

**DAY FOUR** (Thursday, July 28, 2011): Today we cover approximately **16 miles**. We will stop for lunch midway and reach our take-out location at Otto Armleder Park, in late afternoon where we will set up camp for the night and enjoy a relaxing dinner. Restrooms are available at this site.

**DAY FIVE** (Friday, July 29, 2011): Following a hearty breakfast, we will break camp, carefully packing up the equipment. We will participate in some final wrap-up activities, before embarking on the final leg of the journey to the mouth of the Little Miami on down the Ohio River to the Public Landing. We will arrive at the Public Landing between 3:00 – 4:00 p.m. for the conclusion of the journey where the **River7rek** team will be met by family and friends. Upon our arrival, we will assist in getting the boats out of the water loading them onto the trailer for transport back to Morgan's Canoe Livery. We will pause for some final words and a group picture, pick up our gear, say our goodbyes and head for home.
